**Terms and Conditions**

These Terms & Conditions (“T&Cs”), together with the Enrollment Form and Third Party Supplier Contract Summary, are your Contract for electric supply service with Star Energy Partners LLC (“SEP”). **PLEASE READ THESE T&Cs CAREFULLY.**

**Purchase of Electric Supply Service:**

SEP is certified by the New Jersey Board of Public Utilities (“NJBPU”), License No. ESL-0173, to offer and supply electric generation services in New Jersey. As a Third-Party Supplier (“TPS”), SEP will supply the electric generation to your local Electric Distribution Utility, **Jersey Central Power & Light (JCP&L-FirstEnergy Corp.)** (“EDC”), based on your usage. Your EDC then distributes or delivers the electricity to you. SEP sets the generation prices and charges that you pay. The NJBPU regulates distribution prices and services. The Federal Energy Regulatory Commission (“FERC”) regulates transmission prices and services. SEP will deliver and sell, and you will buy your Service in accordance with the EDC’s electric delivery service program during the time this Contract is in effect. If you elected Voluntary Green energy, as specified in the Contract and/or Welcome Letter, SEP will purchase National Wind renewable energy certificates (“RECs”), as applicable, in an amount as required to satisfy its REC purchase obligation. SEP reserves the right to revoke its Services offer at any time prior to your acceptance of this Contract.

As used in these T&Cs, the following words have these respective meanings:

“**Fixed Rate**” means the monthly rate is fixed for the term of the Contract.

“**Generation Charge**” or “**Generation Charges**” means charge for the production of electricity.

“**Parties**” means SEP and you.

“**RTO**” means the Regional Transmission Organization.

“**Service**” or “**Services**” means any electric generation service or product that SEP provides to you, including, if applicable, its purchase of RECs.

“**Transmission Charge**” means the charge for moving high voltage electricity from a generation facility to the distribution lines of EDC.

**Right of Rescission – You understand that as a new customer to SEP, your EDC will send you a confirmation letter once you have been enrolled to receive generation service from SEP. You have a right to rescind your enrollment within seven (7) calendar days following the postmark date of the confirmation letter by following the instructions contained in the letter. The Right of Rescission only applies when a customer switches to a generation supplier and not on renewal enrollments. Your EDC will not send a confirmation notice upon any renewal of this Contract.**

**TERMS AND CONDITIONS OF SERVICE**

1. **Eligibility.** Only residential customer accounts are eligible for this offer, except for the following: (1) any residential customer accounts participating in energy assistance or low-income rate programs that will pay a higher rate or that will be otherwise negatively affected under this Contract; (2) any residential customer of an electric cooperative or municipally owned utility; or (3) any net metered residential customers. SEP reserves the right to refuse enrollment to any Customer with an outstanding balance.

2. **Rate.** You agree to pay SEP the rate, as specified on your Enrollment Form, Welcome Letter, and/or Third Party Supplier Contract Summary, which shall be a Fixed Rate, for combined Transmission, Generation, RECs, if applicable, and Generation Related Charges (“Electric Generation Service”). The Service you buy from SEP will be included in your EDC’s monthly bill. The EDC provider will read your meter and bill for electricity and distribution services, as well as various other charges. In addition to the charges described herein, if any RTO or similar entity, EDC, governmental entity or agency, North American Electric Reliability Corporation or other industry reliability organization, or court

requires a change to the terms of the Contract, or imposes upon SEP a new or additional charge or requirement, or a change in the method or procedure for determining charges or requirements, relating to your Electric Generation Service under this Contract (any of the foregoing, a "Pass-Through Event"), which are not otherwise reimbursed to SEP, Customer agrees that SEP may pass through any additional cost of such Pass-Through Event, which may be variable, to Customer. Changes may include, without limitation, transmission or capacity requirements, new or modified charges or shopping credits, and other changes to retail electric customer access programs. There is no charge for starting or stopping electric generation service if done within the terms of the Contract. This does not prohibit an early termination fee or other penalty for failure to adhere to a valid TPS Contract.

If due to a change in market conditions and SEP wishes to lower the price per kilowatt hour charged to the customer under an existing contract, we may do so without consent, provided there are no other changes to the T&Cs.

3. **Term.** After acceptance of your signed renewal offer by SEP, your Electric Generation Service from SEP will continue for [TERM] months upon expiration of your prior contract.

4. **Renewal Notice and Notification of Changes.** At least 30 days prior to the end of the Term of this Contract, you will receive one written Notice of the Contract expiration that shall explain your options, which may include enrolling into a new Contract, the specific rate, proposed changes if any, and/or what actions you must take to cancel the Contract, as well as any changes to the T&Cs. If you do nothing, the Service will continue on a month-to-month basis, under the current T&Cs and you will be able to cancel at any time without an ECF upon 30 days written notice. You are responsible for arranging your electric supply upon the termination of this Contract or you will revert back to your EDC within one billing cycle after cancellation.

5. **Cancellation/Termination.** You may terminate this Contract without penalty by providing 30 days' notice by calling us at 855-427-7827, writing to us at Star Energy Partners, 3340 West Market Street, Akron, OH 44333, or emailing us at [feedback@StarEnergyPartners.com](mailto:feedback@StarEnergyPartners.com).

SEP may also terminate this Contract upon 30 days written notice, without penalty to you or SEP, if such termination by SEP is due to a change in law or other act beyond our reasonable control that would cause us to no longer be able to provide Service to you. Upon any termination of the Contract, unless you have selected another TPS, you will return to receiving standard service offered from your EDC, in which case you may not be served under the same rates, terms, and conditions that apply to other EDC customers.

Any termination notice sent by you or us must specify the termination date subject to the applied notice period set forth herein. Upon any termination, other than as stated herein, you will remain responsible for any unpaid balance as of the termination date. The delivery of electricity to you cannot be terminated or interrupted by the EDC as a result of any dispute between SEP and you but may be terminated by the EDC for nonpayment of EDC charges in accordance with applicable law. Since the EDC purchases the receivables of SEP attributable to the Services provided to you hereunder, such receivables become EDC charges for purpose of termination of Service.

6. **Billing and Payment.** You will receive a single bill for the Service supplied by SEP and the electricity delivery from the EDC at the monthly interval set by the EDC. While SEP does not offer budget billing, if you have chosen Budget Billing and are receiving a single bill for both Service and the delivery of such Service from EDC, EDC will continue to manage your Budget Billing and determine your monthly payment for Service. Please contact EDC with any questions regarding your budget. You will be billed additional charges, including taxes and charges to transmit and distribute the electricity to your home from the EDC, consistent with its filed tariffs. You are responsible for paying any new or increased taxes imposed on us or you regarding transmission or distribution of the electricity during the term of this Contract. Bills not paid in full by the due date will incur a late payment fee on unpaid balances in accordance with the EDC's billing and late payment policies and procedures. In addition, you agree to pay us our costs incurred in collecting amounts owed us, including reasonable attorney fees and returned check charges. SEP reserves the right to change billing methods.

If you receive a separate bill from SEP for your Service and you fail to pay your bill on time, you will be subject to a late payment fee in the amount of 1.5% per month, and to collection costs incurred due to your late payment or non-payment. All returned checks will be subject to the maximum fee allowed by law. In addition, you agree to pay SEP's costs in collecting amounts owed, including reasonable attorney's fees. SEP reserves the right to cancel this Contract after giving you a minimum of 14 days written notice should you fail to pay your bill by the due date.

7. **Credit and Deposits.** If required by SEP, you authorize us to ask commercial reporting agencies to furnish us with credit information. If you believe that we have reported inaccurate information about your account to a consumer-reporting agency, you may send us a written notice describing the specific inaccuracy.

8. **Service Outage or Emergency.** FOR SERVICE PROBLEMS OR IN THE EVENT OF AN EMERGENCY, YOU SHOULD IMMEDIATELY CALL EDC AT 1-888-544-4877.

9. **Additional Fees.** Your current electric service provider may charge you switching fees for exercising your choice to purchase electric generation service under this Contract.

10. **Customer Consent and Information Release Authorization.** By choosing to accept this offer from SEP, you understand and agree to the terms and conditions of this Contract with SEP. You authorize SEP to obtain your information from your EDC that includes, but is not limited to: billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. SEP reserves the sole right to determine if your credit standing is satisfactory before accepting your enrollment request. This Contract shall be considered fully executed by SEP following acceptance of your enrollment request by SEP, the end of any applicable rescission period, and subsequent acceptance of the enrollment by your EDC.

11. **Dispute Procedures.** Contact SEP with any questions concerning the terms of service by calling 1-855-427-7827 (toll-free), M-F 8AM - 6PM EST; by sending a letter to: SEP, 3340 West Market Street, Akron, OH 44333; or by sending an email to: [feedback@starenergypartners.com](mailto:feedback@starenergypartners.com). SEP will refer all complaints to a representative who will attempt to reach a mutually satisfactory solution. If your complaint is not resolved after you have called SEP, you may call your EDC at 1-800-662-3115, or you may contact the New Jersey Board of Public Utilities, Division of Consumer Relations at 1-800-624-0241.

12. **Limitation of Liability.** FOR ALL CLAIMS BY CUSTOMER AGAINST SEP, CUSTOMER'S SOLE REMEDY IS FOR THE DIFFERENCE BETWEEN THE COST OF REPLACEMENT POWER, INCLUDING ANY APPLICABLE RECS, IN EXCESS OF THE COST OF POWER SUPPLIED BY SEP UNDER THIS CONTRACT.

13. **Warranties. SEP WARRANTS TITLE AND THE RIGHT TO ALL ELECTRICITY SOLD HEREUNDER. THE WARRANTIES SET FORTH IN THIS PARAGRAPH ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE. THIS PARAGRAPH WILL SURVIVE TERMINATION OR EXPIRATION OF THE CONTRACT.**

14. **Force Majeure.** SEP will not be responsible for supplying Service to you in the event of circumstances beyond its control such as events of Force Majeure. Customer and SEP both agree that the following will constitute force majeure events under this Contract and that SEP shall have the right to terminate or modify the Contract without liability if: (1) the Electric Security Plan (ESP), Market Rate Offer (MRO) and/or Competitive Bid Process (CBP), or other generation procurement process results in a Price To Compare (PTC) that is equal to or less than the comparable annualized generation and transmission rates and riders in effect as of the effective date of this Contract or (2) the NJBPU approves or implements a phase-in credit for generation and/or transmission charges of the EDC or takes any other action which affects the PTC or otherwise does not allow the EDC to reflect the full cost to procure generation and transmission in the PTC or other regulatory action. In the event that the program is terminated, you will be returned to your EDC's standard service offer.

15. **Miscellaneous.** This Contract is subject to any future legislation, orders, rules, regulations, or EDC tariff or policy changes. You may not assign your interests and obligations under this Contract without the express written consent of SEP. SEP may sell, transfer, pledge, or assign the accounts, revenues, or proceeds hereof in connection with any financial agreement and may assign this Contract to another energy supplier or other entity as authorized by the PUC. Any required notice will be considered to have been made if mailed to you at the address in SEP's records for your account. Section headings are for descriptive purposes only and are not intended to be used to interpret the Contract. Any reference to days or periods shall mean calendar days. You have the right to request from SEP, twice within a 12 month period, up to 24 months of payment history, without charge. SEP is prohibited from disclosing the Customer's social security number and/or account number(s) without the customer's consent except for SEP's own collections

and credit reporting, or assigning a customer contract to another TPS provider. SEP's environmental disclosure statement is available for viewing on our website - <https://www.starenergypartners.com/disclosures/>. You agree that SEP will make the required quarterly updates to the statement electronically on our website. SEP will also provide the information upon request. SEP assumes no responsibility or liability for the following items that are the responsibility of the EDC: operation and maintenance of the EDC's electrical system, any interruption of service, termination of service, or deterioration of the EDC's service. In the event of a power outage, you should contact your EDC. Customer is responsible for providing SEP with accurate account information. If said information is incorrect, SEP reserves the right to reprice the applicable account(s) or terminate the Contract. SEP reserves the right to return Customer to the EDC if Customer's rate code is changed and the account is no longer eligible for this program. Customer authorizes, but does not obligate, SEP to exercise Customer's governmental aggregation opt-out rights. If we do not enforce a claim or right, this does not amount to a waiver of our right to enforce such a claim or right. The provisions of the Contract that are contemplated to be enforceable after the termination of the Contract survive termination of the Contract.
